Dear Sir Mirza

I beg to acknowledge receipt of your letter No.2848 dated the 26th instant addressed to the Bishop of Madras. I deeply regret that you feel the question of transferring the trusteeship of St Bartholomew's church at Mysore to the Government of Mysore must be deemed finally closed. This will be a great sorrow to the Bishop. Unfortunately he was fully engaged in matters concerning our Centenary celebrations, and a prolonged visit from the Metropolitan, Calcutt who toured the diocese, and then he had to go on a tour to the north of India just after the New Year, and he is still away. This has been part of the reason for delay. Early in January the Hon. The Resident in Mysore and Sir Charles Todhunter submitted suggestions to the Bishop which the Bishop could have dealt with at once, had he been present. I think the final proposals will be entirely acceptable both to you and to the Bishop, and therefore might I beg you most kindly to keep the matter open till the Bishop's return to Madras early next week. I will ask him to deal with the matter at once on his return.

Yours very sincerely

My dear Mirza,

Many thanks for sending me a copy of your letter of the 26th instant to the Lord Bishop advising him that the matter of the transfer of the Trusteeship of St. Bartholomew's Church at Mysore to the Government of Mysore must be regarded as finally closed.

This is only what the Bishop deserved, and though we have done everything we could to get him to take action, the Congregation cannot rightly complain of so well merited a decision. I cannot help being extremely sorry for them, however. We have just managed to get the Church patched up for the present and I expect ^{it} will last my time, but the future looks very black.

Yours sincerely,

Godhunder

May I invite your reference to my letter

My dear Sir Mirza,

I came back from a three weeks' tour in North India on February 2 and found your letter dated the 26th January awaiting me about the transfer of the Trusteeship of St. Bartholomew's Church at Mysore to the Government of Mysore. If you feel for any other reason that the whole question should now be closed I must of course submit to your decision; but I would like to explain the delay and assure you that it is not in the least due to want of appreciation of the kindness which you personally and the Government of Mysore have showed us so consistently. The blame must rest entirely on me personally. The whole of the last six months of 1935 were taken up with work connected with our Diocesan Centenary; my Archdeacon fell ill and my Chaplain was ordered home and I had to do a very great deal of planning and organising of the visit of the Metropolitan and his tour throughout the Diocese. I also had to write the last two chapters of our Centenary History and I had my ordinary duty and touring to get through besides. Relying on your kindness that you would be ready to reconsider anything which we put up I put it on my table ready to take up when I had leisure to give it proper attention. Unfortunately that leisure did not appear till the end of December when I had had a further opportunity of talking it over with

Sir Charles Todhunter and with the new Chaplain. I know it would have been a better response to your kindness if I had taken it up immediately, and that I did not do so is my mistake. But simply I had not the time to give proper attention to it. Whatever decision you may make in the matter I do hope that you will not think that we were unappreciative of your kindness.

With kind regards,

Yours very sincerely,

My dear Bishop,

I am much obliged for your letter of February 4, with reference to St. Bartholomew's Church at Mysore.

I quite understand your reasons for the delay in attending to the matter. Frankly, I do not feel so enthusiastic about the scheme now, and I feel that, on the whole, it would be best to drop it altogether.

With kindest regards,

Yours sincerely,
